

Making Changes in the Computer

Change bowler to Absent/Substitute/Vacant

To make a bowler absent:

Press *Menu*

Press *Player Menu*

Press *Admin Players*

Find the bowler's name that you want to change and keep pressing where it says *Regular* until it says *Absent*

Press *OK*

To make a bowler a substitute:

Press *Menu*

Press *Player Menu*

Press *Admin Players*

Find the bowler's name that will have a substitute and keep pressing where it says *Regular* until it says *Substitute*

Press the bowler's name

Type in Substitute's name

Press *OK*

To make a bowler vacant

Press *Menu*

Press *Player Menu*

Press *Admin Players*

Find the bowler's name that you want to make vacant and keep pressing where it says *Regular* until it says *Vacant*

Press *OK*

Change an Average

Press *Menu*

Press *Player Menu*

Press *Admin Players*

Find the bowler's name that you want to change and press the average for that bowler

Type in new average

Press *OK*

Press *OK*

Change Handicap

Press *Menu*

Press *Player Menu*

Press *Team Info*

Where it says *Use Team Hcp*, press *Yes*

Underneath that, press where the number is

Type in new handicap

Press *OK*

Press *OK*

If the handicap has switched from one team to another,
you need to repeat the same process on the other
side and make sure the handicap for that lane is 0

Change Score
